Who is Nobody?

The Festival City Rotary Club of Stratford has funded the introduction of the **Who Is Nobody?** character education program for the Grade 6 Gifted Program taught by teacher Cindy Carlson at Stratford Central Public School.

It all began in October, 2009, when a mysterious suitcase arrived at the classroom containing a blue rag doll void of features and gender.

Throughout this year long program, each student will implement a service learning project and then design a 3D object to pin on the Nobody doll which will give the doll its character. This project builds on everybody's unique strengths, nurturing their self-esteem and enhancing their academic performance. NOBODY will become a SOMEBODY!

The FCRCs can look forward to a visit from SOMEBODY and Ms. Carlson in the new year.

Visit www.whoisnobody.com for further information on this multiple award-winning program that is sponsored by several Rotary clubs throughout Ontario.
