Who is NOBODY?

Over the next few months all of the Grade 1 classes will be participating in an award winning character education program called "Who is Nobody?". Consistent with the Joshua Creek objectives to develop citizenship, community awareness, and success for all, the program seeks to give students an opportunity to share their own unique traits while learning respect for the diversity and uniqueness of others. The program focuses on a character called "NOBODY" that will be sent home with students in the coming weeks. After conducting a positive activity (such as helping others, the environment etc.) students will add to NOBODY and share their experience with their class. The class will collectively make NOBODY a SOMEBODY. Further information on the program can be obtained at www.whoisnobody.com.
