Humane Heroes

Do you know what "humane" means?

It's another word for kind. The OHS is grateful for the help of young "Humane Heroes" who have made a difference for animals in our shelter. Read about these awesome helpers!

Humane Hero: Shannon H.

Shannon H. is a "Humane Hero" and the OHS is grateful for her act of kindness! This charming grade 6 student collected blankets at her school for a "Who Is Nobody" (www.whoisnobody.com) project. And with the help of her mother, she cut and sewed the material into cute and cozy creations for our shelter animals to snuggle in. According to Shannon, this was her way of giving back in honour of her cat, Jess, who was adopted from the OHS by her family in 2006.

Here's an idea! Download our **birthday gift form** and include it with your invitations [PDF].
