

STUDENTS IN ACTION:
Robbie Goldman (at left),
a grade 2 student at For-
est Hill Public School,
exhibits some of the 102
pairs of glasses he and
his classmates collected
for World Vision.

The students also raised
money for donations,
shovelled snow and
walked dogs for elderly
or blind neighbours,
among 25 other projects
as part of a year-long
initiative to take action
locally, nationally and
globally.

The students also creat-
ed posters, pictures and
a 3-D collage document-
ing each other's efforts,
along with a scrapbook
and stories to show how
they exercised respon-
sible citizenship.
